

Parkinson Tulips

What better way to celebrate the arrival of spring than with a flamboyant display of Parkinson Tulips! If you planted yours last fall, they're in full bloom right now; If you didn't (or if you want more), now's the time to order them. Place your order today and be assured of a cheery display next spring that will send the message of hope for a cure. Bulbs are available in bags of 10, costing \$5 per package. Why not plant a stunning garden of hope and order 10 packages for the special price of \$45?

Shipped directly from Holland, you will receive your Dr. James Parkinson tulip bulbs in mid-September, just in time for planting. These beautiful red cultivars with white edges represent hope for a world free of Parkinson Disease. Help us spread awareness and help the Vermont Parkinson community to Live Well with the disease.

If you would like to buy bulbs, please place your order today.
